

As a Father Has Compassion

(words & music by C. Denise Young) / © 1993 High Places Music (ascap)

**As a Father has compassion, You, O Lord, have mercy
Plenty gracious, slow to anger, abounding in love. (2X)**

Where there's frailty, there's tender mercy,

Pardon and grace

As the heavens far above us

Great, O Lord, is Your love

Like the flowers, we will flourish

Soon our days are gone

But everlasting to everlasting

Lord, Your love has no end. (no end)

As a Father has compassion, You, O Lord, have mercy

**Plenty gracious, slow to anger, abounding in love,
abounding in love.**
