

Awake, O Sleeper, Arise (The Harvest is Here)

words & music by C. Denise Young / prophetic song 10-8-06 / revised July 13, 2007

Awake, O Sleeper, Arise Alive in Christ, so Arise!

Awake, O Sleeper, Arise Alive in His light, Arise!

For the Harvest is here, the Harvest is here

Yes, the Harvest is here, Awake, Sleeper, Arise!

Shake off the slumber, The night is now over

Salvation is here, who will believe?

Shake off your slumber, Put on your armor,

Awake, O Sleeper, Arise!

Pray to the Lord of the Harvest, for He has compassion

The Shepherd of Love will hear your cry

Pray to the Lord of the Harvest, to send out more workers

Awake, O Sleeper, Arise!

Look on the fields, they are ripe, ready for the Harvest

Run to the fields, bring New Life, gather in the Harvest

Sower and Reaper, be glad! O Sleeper, Arise!

**Look on the fields, they are ripe, ready for the Harvest
To the highways and byways, go forth, gather in the Harvest
The Glory of His light has come! O Sleeper, Arise!**

**How will they know unless they're told? Pray for the Harvest
How can they hear unless you go? Run to the Harvest
Take the Good News and Arise!**

**Faith comes by the hearing of the Word,
Whoever calls on His Name will be saved
The Glory of the Lord will break forth as the Day!
Awake, God's Children, Arise!**

Go forth in the Mighty Power of the Lord, Arise! *(repeat)*

**Awake! O Sleeper, Arise!
Awake! God's Children, Arise!**
