

# **Blood of the Passover Lamb**

*(words & music by C. Denise Young)*

**Blood of the Lamb, we need Your covering  
Blood of the Lamb, be our Shield  
Blood of the Lamb we need deliverance  
Hide us in the shadow of Your wing**

**Blood of the Lamb, we need Your mercy  
Your Grace, forgiveness of our sins  
Blood of the Lamb, we need Your presence  
Your Glory, Our Fortress, our Defense!**

**When destruction passes over, may we be found  
Under the blood, under the blood**

**When disaster passes over, may we be found  
Under the blood, under the blood**

**When Your judgment passes over, may we be found  
Under the blood, under the blood**

**When the death angel passes over, keep us, Lord, ...**

**Under the covering of the Passover Lamb (4x)**

**Passover Lamb . . . Passover Lamb . . .**

**Cover us, hide us, protect us . . . Passover Lamb  
Cleanse us, forgive us, restore us . . . Passover Lamb  
Shield us, defend us, deliver us . . . Passover Lamb  
Keep us, guide us, supply for us . . . Passover Lamb**

**Before the foundations of the world, Lamb of God, You were slain  
Called by the Father, a Sacrificial Lamb, Yeshua is Your Name!**

**To the Lamb of God, we cry holy! To the Lamb of God, we cry worthy!  
To the Lamb of God, we cry glory! Proclaim, our Passover Lamb!**

**I will not fear, I'll not be afraid  
Father, You're watching every step I take  
I will not fear, I'll not be afraid  
Father, You're watching every move I make!**

**You are my Passover Lamb! (4x)**
