

Do You Know Who You Are?

(words & music by C. Denise Young)

Chorus A) Do you know who you are? Here's where you start!

You'll know who you are when love fills your heart

1) What kind of an auto are you driving?

What's the value of the house you're living in?

On your walls and bookshelves are trophies and degrees

What good are they when you're broken deep within?

Chorus B) Do you know who you are? What do you trust?

Don't build your house on this world's greed and lust.

2) You've a wife and children and a dog, a cat

Bank accounts that keep you living upper class

But T-bills and real estate won't satisfy

Don't neglect the only things in life that last!

Chorus C)

Do you know who you are? What is your plan?

Will you go up to the Father's great land?

3)

Only when the Son of God redeems your life

Will you find purpose and fulfillment at its best

Only when the Love of God comes in your heart

Will you know who you are ... you'll find rest

Bridge)

I Am that I Am, that's who God says that He is!

I find contentment knowing He made me who I am!

He made me who I am!

Coda)

I know who I am, His Word's in my heart

I know who I am, His love's in my heart
