

Exceedingly, Abundantly

word & music by C. Denise Young

Exceedingly, Abundantly

Above all we ask or could ever imagine

Exceedingly, Abundantly

Your power is able, it's working within me

Together we can do all things.

Altos - **Your power is able**

Sopranos - **It's working in me**

Altos - **Your power is able**

Tenors - **Nothing's impossible!**

All that we ask for, all that we pray for

All that we hope for is found in You

All that we ask for, all that we pray for

All that we hope for is found in You,

Found in You, is found in You!
