(words & music by C. Denise Young)

**Have Your way in me, Have Your way in me
Lord, may You break my will 'til Jesus we see
Have Your way in me, Have Your way in me
Lord, let Your light shine through
Every part of me.**

**Have Your way in me, Have Your way in me
Lord, may You break my will 'til Jesus we see
Have Your way in me, Have Your way in me
Father, let Your light shine through,
Jesus, let Your love shine through
Spirit, let Your Glory shine through
Every part of me.**
