

In My Father's House

(words & music by C. Denise Young / Prophetic Song at Tikvah Israel – July 16, 2004)

This is the place to be, This is the healing place to be

This is the place to be, In my Father's House *(repeat)*

Here with the Father, we are dancing like children

Here with the Father, we're falling in His arms

Here with the Father, we are laughing like children

Here with the Father, we're falling in His arms

This is the place to be, This is the healing place to be

This is the place to be, In my Father's House *(repeat)*

I find my covering in my Father's House

I find authority in my Father's House

I feast with family in my Father's House

All that I need is found in my Father's House! *(repeat)*

LOVE is in my Father's House

JOY is in my Father's House

PEACE is in my Father's House

All that I need is found in my Father's House

All that I need is found in my Father's House! *(repeat)*

This is the place to be, This is the healing place to be

This is the place to be, In my Father's House *(repeat)*
