

In Your Holy Place

(words & music by C. Denise Young)

In Your Holy Place

**My prayers are a sweet incense
And Your light shines and makes me whole
Bread of God, You feed my soul**

In Your Holy Place

**My worship, You embrace
And Your light heals my wounded heart
Life and love, Your words impart**

In Your Holy Place

**I bask in Your radiance
Illuminating truth unfolds
Words I treasure more than gold**

In Your Holy Place

**I bow down before Your face
My tears are a sweet perfume
Lord, Your fragrance fills this room.**
