

Lord, We Give Thanks

(words & music by C. Denise Young & John Juliano, Jr.)

**LORD, WE GIVE THANKS, WE LIFT UP OUR HANDS!
IN LOVE, WE PRAISE YOU, IN LOVE WE PRAISE YOU!**

(repeat)

**Though I speak with tongues of angels,
And I see Your signs and wonders,
And I give all I have to the poor
Though my faith can move the mountains,
If I don't have love, I'm nothing
My praise must flow from a heart of love!**

**A sacrifice that is pleasing
Is when my praise is given freely
And the fruit of my lips confess Your name
When my love is shared with others,
Face to face, I'll see Your glory
My praise must flow from a heart of love!**
