

# **Mercy**

*words & music by C. Denise Young*

**Mercy, we cry mercy**

**As the blood of the Lamb**

**Opens the door**

**To the Holy Place**

**Where we find entrance**

**To the Holy of Holies**

**We fall on our face**

**And we find mercy, Lord, we find mercy**

**In the Holy of Holies,**

**Your presence bring mercy and grace.**
