

# **More than Enough**

*(words & music by C. Denise Young)*

*Chorus)*

**Jesus Christ, You're more than enough  
El Shaddai, You're more than enough to me  
Because You love Your children so  
You give us life abundantly.**

**1)**

**The children of Israel, so tired and weak,  
You fed them manna, water to drink,  
Daily provision, You met their needs,  
And said, "Children, I'm all you need,  
Daily, I'm all you need."**

**2)**

**When this old world tells me what I need  
Worry and doubt bring anxiety  
Your Spirit so mighty brings me to my feet,  
And cries, "Jesus, is all you need!"  
Jesus, You're all I need!**
