

No Distance! *(In the Prayer of Faith)*

(words & music by C. Denise Young)

(Chorus)

No distance, No distance

When the prayers of faith rise up before Me

There's no distance, no distance

I'll hear when you call!

No distance, No distance

When the prayers of My children rise up before Me

There's no distance, no distance

I'll answer when you call!

So call to Me, call on Me, call for Me *(repeat)*

(WL) I'll hear you when you call

(Praise Team)

... to Me, call on Me, call for Me

(WL) I'll answer ... I love to hear ... I'll meet ... I long to hear ...

**1) Paul traveled and taught in Galatia
Spread the Word of the Lord in Asia
Then the Spirit said, "Stop! Don't go that way!"**

**In a dream, Paul saw the Macedonian
Praying, "Come and help us, or we're undone!"
Paul changed his course, obeyed the Lord
And many that day heard the Good News!**

**2) Through the hands of Paul, mighty acts were done
With anointed cloths, people touched the Son!
The power of God forced the demons to flee!**

**The sick filled the City of Jerusalem
With Peter's shadow, God healed each one
Yeshua's promised deliverance
Set the people free, there was dancing in the streets!**

3) If we understand Your au-thority
Father, You say the Word only,

At Your command, we can take up our beds and walk!

So give us faith to believe You
Give us faith that will please You
Give us faith to amaze You
And healing will come this very hour!

(Chorus)

No distance, No distance
When the prayers of faith rise up before Me
There's no distance, no distance
I'll hear when you call!

No distance, No distance
When the prayers of My children rise up before Me
There's no distance, no distance
I'll answer when you call!

So call to Me, call on Me, call for Me *(repeat)*

(WL) I'll hear you when you call
(Praise Team) ... to Me, call on Me, call for Me

(WL) I'll answer ... I love to hear ... I'll meet ... I long to hear ...
