

One Touch of Your Love

(words & music by C. Denise Young)

You see in my heart, O Lord, what's hidden inside, O Lord

One touch of Your love can make me like You

You see in my soul, O Lord, what lies in the darkness, Lord

One touch of Your love can bring light and truth.

For You know me, Lord, like nobody knows me

You love me Lord, for I am Your own

You hear me, Lord, You answer so dearly

You see me, Lord, through the eyes of Your love

So great a love . . .

You see in my soul, O Lord, the wounds and the scars, O Lord

One touch of Your love pours on healing oil

You see in my heart, O Lord, the pain and the tears, O Lord

One touch of Your love covers me, I am Yours.

**You forgive me, Lord, like no one forgives me
You redeemed me, Lord, and paid the price for my life,
You draw me, Lord, closer, You bring me
For Your glory, Lord, I was made for Your pleasure
I live for Your pleasure . . .**

**A love song I sing, O Lord, from my heart to Yours, O Lord
I give You my praise, I give all my worship
A love song I bring, O Lord, I give You my life, O Lord
One touch of Your love calms my troubled mind
One touch of Your love soothes my weary soul**

Your love gives me life . . .

Your love gives me breath . . .

And I am Yours, You are mine.
