

Shepherd's Heart

(words & music by C. Denise Young)

**Shepherd's Heart, that's what You've given me
To love unselfishly, Lay down my life for the hurting
Shepherd's Heart, that's what You've given me
To set the captive free, Free from the lies they're living**

"Peter, do you love Me?"

"Lord, You know I love You!"

"Peter, go in My name, feed my sheep,

I'll give you a Shepherd's Heart."

**"I am moved with compassion, for sheep without a shepherd
And I want you to bring them to My care, I'll give you a Shepherd's Heart."**

**Shepherd's Heart, that's what You've given me
To love as You've loved me, Lay down my life for the hurting
Shepherd's Heart, that's what You've given me
To set the captive free, Free from the lies they're living**

“Christian, do you love Me?”

“Lord, You know I love You!”

“Christian, go in My name, feed My sheep,

I’ll give you a Shepherd’s Heart

“I am moved with compassion

There are sheep without a Shepherd

And I want you to bring them to My care,

I’ll give you a Shepherd’s Heart.”

“I will give you shepherds after my own heart,

Who will love you with My Love

I’ll give them a Shepherd’s Heart.”
