

Song of All Songs *(No Other Song But You!)*

(words & music by C. Denise Young)

(Chorus)

You are the Song of all songs

No other song but You

Song of all songs of all songs

1) You are the music, the words, a love song

You're the rhythm that's beating in my heart!

You are the music, the words, a love song

The rhythm that's beating in my heart!

2) You are the music, the words, a love song

Your melodies are ringing in my heart!

You are the music, the words, a love song

Your melodies are ringing in my heart!

(Coda)

No other song to be sung, No other song but You *(repeat)*
