

The Sweetest Words

(words & music by C. Denise Young / Prophetic Song 7-13-2012)

- 1) **The sweetest words I know when the Father tells me so**
 I'm forgiven, forgiven, the sweetest words I know
And the sweetest words I hear when the Father says, my dear
 You're forgiven you, forgiven, the sweetest words I hear

(Chorus 1)

How we need to know, how we need to hear
That Your love, O Lord, wipes away our tears
How we need to feel, how we need to see
That You took our guilt at Calvary
And then You spoke so tenderly
Father Forgive

- 2) **The sweetest words I know, the Bible tells me so**
 I'm forgiven, forgiven, I won't carry this load anymore
 And the sweetest words I hear, music to my ears
You're forgiven, forgiven, I won't bear this shame anymore

(back to Chorus 1)

3) **The sweetest words we can share to the one laden with care
You're forgiven, forgiven, the sweetest words we can share
The sweetest words we can tell, to the one tormented with hell
You're forgiven, forgiven, the sweetest words we can tell**

(Chorus 2)

**How we need to know, how we need to hear
That Your love, O Lord, drives away our fears
How we need to feel, how we need to see
Through Your blood, our hearts have been made clean
With love sincere, we now can sing ...**

(Coda)

**I forgive you
I forgive you
I forgive you
As my Father forgives me *(repeat)***
