

There is a River

(words & music by C. Denise Young)

1)

**There is a River pouring over me
There is a River setting people free!
There is a River flowing from my Father's Throne
There is a River calling me home.**

(Chorus A)

**River, come pour over me, River, set my heart free
River, flowing from my Father's Throne, River, calling me home.**

2)

**There is a River cleansing me within
There is a River washing away my sin
There is a River making me brand new
There is a River, it can be yours, too.**

(Chorus A)

**River, come pour over me, River, set my heart free
River, flowing from my Father's Throne, River, calling me home.**

(Chorus B)

**River, pure waters healing me, River, helping me to see
River, life streaming from above, River, covering with love**

(Chorus C)

**River, come fill me again, River, change me within (oh - - - -)
River, make me brand new, River, keep me close to You.**

3)

**There is a River, fountain from Calvary
There is a River, a sign for all to see!
There is a River, Christ's blood for sins atone
There is a River, from God, and God a-lone.**

(Chorus A)

**River, come pour over me. River, set my heart free
River, flowing from my Father's Throne, River, calling me home.
Calling me home. Calling me home. Calling me home.**
