

We Crown You King

(words & music by C. Denise Young)

Chorus)

We Crown You King, our Heavenly Father

We Crown You King, our coming Messiah *(2x)*

1)

We'll rule and reign with You in Your authority

We'll rule and reign with You in all of Your glory

We'll rule and reign with You throughout eternity

We'll rule and reign with You forever and ever *when we*

2)

Every knee will bow before Your Majesty

Every tongue confess, "You are Lord, Holy Lord!"

Every knee will bow before Your Royalty

Every tongue will sing forever and ever *as we*
