

WHAT WILL HEAVEN BE LIKE?

(words and music by C. Denise Young)

1) **My name is Jesse, I've a story to share,
of Jesus who took my sisters home to keep in His care.
Rainey and Lacey gave Jesus their lives,
I'll tell you from their point of view what heaven is like ...**

2) **My name is Lacey, the middle of three.
I loved to read and sing the "B-I-B-L-E".
Though on earth I was happy, I wanted more than this life.
The last thing I asked my Mom and Dad, "What will heaven be like?"**

Chorus A)

**Well heaven's more beautiful than one could imagine in your time and space.
Nothing but perfect love and peace, Everyone has their place!
I'm riding a royal horse for God with loved ones and friends who have come home.
But the greatest joy of all is worshipping at His throne
With saints robed in white, that's what heaven is like!**

3) **My name is Rainey, the oldest of three.
I loved to sing and fish and spend time with family.
When others would ask me, "Why is death part of life?"
With Jesus, the question then becomes, "What will heaven be like?"**

Chorus B)

Well heaven's more beautiful than one could imagine in your time and space.

The questions are answered now in full, no more death, no more grave!

And those who I shared the gospel with are dancing in glory and in grace.

But the greatest joy of all is worshipping at His throne

With saints robed in white, that's what heaven is like!

4)

My name is Jesse, the youngest of three.

And Jesus will one day take me home, how happy I'll be!

Chorus C)

Is heaven more beautiful than one could imagine in my time and space?

And will I have lovely wings to fly from place to place?

And will I be free from socks and shoes to tiptoe on clouds of velvet lace?

Will the greatest joy of all be worshipping at His throne?

With my sisters robed in white? What will heaven be like?

What will heaven be like?
