

YOU ARE WORTHY, LORD

words & music by C. Denise Young

**You are worthy to receive glory, honor, power, You've created everything.
Lord, You're worthy to receive wisdom and strength, Glory to Your name!**

**(1) Savior, we praise You, worship, adore You, casting our crowns at your feet!
Singing a new song, bless You Redeemer, Praise You King of Kings!**

**(2) You have clothed us in white raiment, You are the Lamb that was slain,
You have crowned us with Your glory, Praise to You we bring.**

**Bridge) Dressed in linen, pure and white, we're the Bride prepared
For the marriage supper of the Lamb.
Your glory lights that Holy Place where God and the Lamb
Is the temple in the New Jerusalem, the temple in the New Jerusalem.
No more pain and no more crying, No more sickness, no more dying.
Former things are passed away!**

**(3) You hold dominion o'er all kingdoms, Lord, we bow at Your throne.
In Your book our names are written, We'll reign with You forevermore!**

You are worthy, You are worthy, Lord. (4x)
