

Your Anointing Breaks the Yoke

(words & music by C. Denise Young)

1) Gone is the heaviness, Gone is the burden
 Gone is the pain, Father, You're here!
 Gone is the heartache, Gone is the torment
 Gone is the shame, Father, You're here!

(Chorus 1) Your anointing breaks the yoke, Heav'nly Father
 Your anointing breaks shackles, Sweet Je-sus
 Your anointing breaks strongholds, Holy Spirit
 Your anointing breaks the yoke, Father, You're here!

2) Gone is hopelessness, Gone is depression
 Gone is the pain, Father, You're here!
 Gone is the bitterness, Gone is the struggle
 Gone is the shame, Father, You're here!

3) Gone is the emptiness, Gone is the longing
 Gone is the pain, Father, You're here!
 Gone is rejection, Gone is deception
 Gone is the shame, Father, You're here!

(Bridge) Your anointing opens prisons, setting ev'ry captive free!
 Showing kindness and forgiveness, You restore our dignity.
 Your anointing brings the healing, joy for lamentation.
 Clothed with praise, crowned as priest, covered with Your salvation!

(Last X) Covered with Your salvation! Covered with Your salvation!
