

Your Gates, Your Gift, Your Glory

words & music by C. Denise Young

- 1) **We're marching to the gates where Yahweh resides
Raising our banner for the Lord's on our side!
Entering His courts with a victory cry
Declaring triumph in the Lord, Most High!**

- 2) **We're marching through Your gates with hearts full of praise
Kneeling at the altar where the price was paid
Into Your Courts we receive Your Grace
Your Gift of Love washes sins away!**

- Chorus)* **SOUND THE TRUMPET OF GOD!
Drawing us to worship, Lord, we hear Your call!
There's vict'ry in the camp through the Blood of the Lamb
Through Your Gates, by Your Gift, let Your Glory come down!**

And You take us from the altar to the Holy Place
The veil is no more for those who believe
And Your Glory surrounds us at the Mercy Seat.**
